Hi,  
Further formatting guidance from Alex: here is another doc we are giving to the Administrator the same day. Does have to be exactly the same but along the same lines.

Hey Hans,  
Can you guys make it less of a factsheet for talking points and more of an informational/backgrounder for the Administrator. Format is just a little off. Thanks,

Attached is the revised factsheet with a bullet added to the background section on the asbestos petitions and some other edits to get this down to one page. Please review and let me know if any questions.

Please note, we have provided this fact sheet in preparation for the biweekly meeting with the Administrator on 4/9/19, which I believe will cover the Asbestos SNUR.

**Importance:** High

Mary –

We need a fact sheet on the Asbestos SNUR, with some information about the asbestos petition denial, for the Tue 4/19 biweekly with the Administrator. Hopefully it can be based largely on fact sheets already prepared for budget briefings. I'm copying Greg, because this involves budget sheets, and James, whom the DAAs mentioned might be able to help on it. We'll need to send them in Monday morning, so if it could be drafted to circulate tomorrow and/or over the weekend as needed, that would be great.

Please let me know if you have questions, have gotten additional/different directions in the meantime, or if there's other history/context I should know or others to contact.

Thanks!

Tom
